Cap3D

3D model of a white house with a clock, a box, and a mouse.

A 3D toy snail with big eyes, a blue shell, and blue spikes.

3D model of a royalty-free pirate ship in the water.

3D model of a yellow biohazard waste bin with symbol.

A 3D model of a small house with stairs and multiple garages.

CloudCap3D

The 3D model presents a collection of minimalistic, all-white objects, including a house, a box, and a mouse, along with a black and white image of a house.

The 3D model represents a cartoon-like snail, characterized by its vibrant blue eyes and a distinctive shell demonstrating a mixture of white and gray shades.

The 3D model is of a vibrant cartoon pirate ship, embellished with sails and flag, floating merrily in the middle of the ocean.

This is a 3D model of a vivid red bin, which is stained and has a viscous yellow fluid spilled on it.

The 3D model is of a small, charming house with a well-sculpted brown gate and a spacious, tandem-parking area that can accommodate two cars.
